

We've Got You Covered!

Reliable Board, Enclosure and Cable Shielding Products

Leader Tech is not a one-product-fits-all company. We are innovators focused on constant improvement and refinement of proven product platforms and manufacturing methods. This allows us to deliver cost-effective shielding solutions that solve EMI problems for both current and emerging electronic applications.

Board Level Shielding Products

- Standard CBS (Circuit Board Shields)
- Surface Mount KE Shields
- Modified Standard Options
- Slot-Lok™
- Multi-Cavity CBS
- Custom Circuit Board Shields
