### FerriShield Ferrite Product Manager Appointed

Leader Tech, a world-leading innovator and U.S. manufacturer of EMI shielding products, announces the appointment of Blake Roberts as the Company's FerriShield Ferrite Product Manager. "With 13-years of industry experience, Blake brings an unmatched level of engineering and customer service support to our ferrite customers", says Tim Black, Director of Business Development.

"We feel his extensive knowledge of ferrite materials and custom applications will immediately enhance the value and scope of the FerriShield product line within this growing industry", offers Dario Negrini, President.

In addition to the world's largest in-stock selection of bisected and solid core ferrites, customers can now rely on FerriShield to address a wide range of unique and custom EMI/RFI shielding applications. Blake Roberts is available immediately to Leader Tech and FerriShield customers as well as all Regional Sales Engineers.

To discuss a cable shielding or custom ferrite application, simply contact your current Leader Tech Sales Engineer or reach out to Blake Roberts directly.
